

## **BERNIER CONSTRUCTION, INCORPORATED PROJECT SUMMARY**

**Project Title:** Wetlands Construction for the PA Game Commission

**Location:** Adams County, PA

**Scope:** Provide labor, material, and equipment to construct a wetlands area at State Game Lands

Berner Construction was contracted by the Commonwealth of Pennsylvania to construct wetlands for the PA Game Commission. The project was located in Adams County, PA at State Game Lands 249 (SGL 249). The wetlands construction included installation of erosion control measures, clearing the project site of brush, stripping and stockpiling of topsoil, construction of a 1,600 cubic yard low level dike with emergency spillway and water level stand pipe. Site restoration, which included seeding and mulching, was performed by PA Game Commission personnel.
